XEROX[®] VERSALINK[®] COLOR PRINTER AND COLOR MULTIFUNCTION PRINTER

Revolutionary. Future-proof. Value-packed.

C400/C405

Xerox[®] VersaLink[®] C400 Color Printer and Xerox[®] VersaLink[®] C405 Color Multifunction Printer

The VersaLink C400 and C405 revolutionize your productivity with next generation features and easy, instant cloud and mobile connectivity. As your modern workplace assistants, the C400 and C405 are built for the way you work today, and ready for where your business will grow tomorrow—with all the flexibility and versatility you need to work better with minimal IT support and benchmark security.

POWERFUL PERFORMANCE AND PEACE OF MIND.

Right out of the box, you'll count on your VersaLink C400 or C405 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go—hassle free.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview¹, and do more with scanned documents with built-in optical character recognition (OCR)¹.

When it comes to safeguarding critical documents and data, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

With the VersaLink C400 and C405, you can be confident that your documents will look their best—making you look your best giving you the confidence you need when presenting to your customers.

EASY, EFFICIENT AND ENTIRELY NEW.

With the customizable, capacitive 5-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimize office efficiency, and on-screen access to the extensive Xerox App Gallery provides expanded functionality—like the optional Xerox[®] Easy Translator Service app¹, which quickly translates scanned documents into numerous languages.

Get more done in less time by creating customized 1-Touch Apps¹ to automate multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured. And with Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to task-specific presets, individualized favorite contacts, and commonly used apps on a personalized home screen.

FREEDOM, AND APP-BASED FUNCTIONALITY.

The VersaLink C400 Color Printer and VersaLink C405 Color Multifunction Printer gives you the freedom to work where and how you want—with out-of-the-box direct connectivity to Google Drive[™], Microsoft[®] OneDrive[®] and DropBox[™], and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria® plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today's mobile professionals by visiting www.xerox.com/mobile.

XEROX® CONNECTKEY® TECHNOLOGY—THE NEXUS OF YOUR COMPLETE PRODUCTIVITY ECOSYSTEM

From Xerox—the company that created the modern workplace—we present the next revolution in workplace productivity. With a consistent user experience across a wide range of devices, mobile and cloud connectivity and a growing library of apps to expand functionality, you'll work faster, better and smarter.

Intuitive User Experience

An entirely new—and yet entirely familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customization.

Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to pre-loaded, cloud-hosted services that let you work where, when and how you want.

Benchmark Security

Full multi-level protection for both documents and data, ready to guard against and eliminate emerging threats and meet or exceed regulatory compliance.

Enables Next Generation Services

Work more efficiently and manage resources more effectively. Easy integration of Xerox® Managed Print Services enables remote monitoring of service delivery and consumables.

Gateway to New Possibilities

Instantly extend your capabilities with access to the Xerox App Gallery, featuring real-world apps designed to optimize digital workflows. Commission our network of partners to design innovative, businessspecific solutions.

Find out more about how you'll work smarter at **www.connectkey.com**.

CHOOSE THE OPTION BEST FOR YOUR BUSINESS:

- 1 A 50-sheet Single-pass Duplex Automatic Document Feeder (DADF) scans two-sided originals for copy, scan and fax jobs.
- 2 Card Reader Bay with embedded USB port.²
- **3** A front-side **USB port**² allows users to quickly print from or scan to³ any standard USB memory device.
- 4 250-sheet output tray with tray-full sensor.
- **5 150-sheet Bypass Tray** handles media sizes from 3 x 5 in. to 8.5 x 14 in./76.2 x 127 mm to 216 x 356 mm.

6 With the 550-sheet paper tray, standard paper capacity totals 700 sheets (including Bypass Tray).

- **7 Optional 550-sheet paper tray** increases the total paper capacity to 1,250 sheets.
- 8 Optional stand provides storage for toner cartridges, paper and other supplies.

² USB ports can be disabled ³ VersaLink C405 only.

Xerox[®] VersaLink[®] C400 Color Printer Print.

Xerox® VersaLink® C405 Color Multifunction Printer Print. Copy. Scan. Fax. Email.

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet our tiltable, 5-inch capacitive color touch screen—the user interface that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience—with support for gestural input and task-focused apps that share a common look and feel—fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink C400 Color Printer and VersaLink C405 Color Multifunction Printer get more work done, faster.

Xerox[®] VersaLink[®] C400/C405

The VersaLink C400 Color Printer and C405 Color Multifunction Printer are built on

Xerox[®] ConnectKey[®] Technology. For more information, visit **www.connectkey.com**.
